RE: Phase II Wireless Service Request

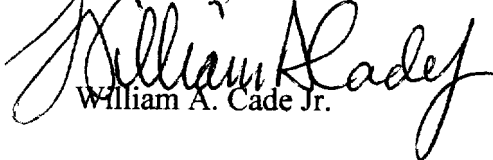

In compliance with the FCC Rules and Orders, wireless carriers are to provide Phase II Wireless 9-1-1 service within six months of a request from a 9-1-1 authority. This letter is our official request for you to implement Phase II service in our area.

I suggest that we schedule a meeting with your 9-1-1 manager within the next two weeks at my office to begin the implementation process. Please ask you 9-1-1 manager to contact me within a week to set up a meeting date, and provide me with information about your staff members who will be attending.
